

A Statement of the school's ethics and aims.

Pioneer Tec School Ltd provides therapeutic trauma informed education for young people aged 11 to 18yrs who are at risk of exclusion or have been excluded from other education provision.

Pioneer Tec School Ltd is committed to promoting an inclusive curriculum, high expectations for all and building a positive link with parents/careers of those children we are lucky enough to educate

At Pioneer Tec School Ltd all students are encouraged to strive to be the best at what they do, whilst trying as hard as they can within all elements of Pioneer Tec School life. Students leave Pioneer Tec with the skills needed to become a positive member of their community and to contribute to society.

We believe that every moment is a learning opportunity and that every moment matters.

Our aim is simple - to inspire all our students to achieve their best through “belonging, engaging and succeeding together”. We strive for our students to achieve academic and vocational qualifications alongside success in developing their emotional resilience and managing their behaviour as they learn and grow in a safe and trusted environment.

Social Workers & family members to Pioneer TEC frequently comment upon the happy, purposeful atmosphere and the good behaviour of our students.

Young people are supported by our full range of integrated services to guarantee the best possible outcomes for each young person.

Pioneer Tec School Ltd does have a religious ethos and caters for all religions.
